Commissioner of Patents
Washington D.C. 20231

Sir:

Applicant respectfully requests a two-month extension of time to file the necessary response to the communication of April 22, 1971.

The reason for the requested extension is that applicant's grandfather has been ill, and applicant has not had an opportunity to fully prepare the necessary response.

A duplicate copy of this request is enclosed for the Patent Office to indicate the action taken.

Respectfully

Theodor H. Nelson
